Soap Updates by Seli Groves

ALL MY CHILDREN: Emily Ann told Joey she's pregnant, and he persuaded her to cancel the abortion so they can raise their baby together. Tracie and Barbara learned about a new option that might save Molly's life. Tracie was late to stop Natalie and Adam's wedding, vowed to stay around now that he knows she really loves him. Daddy tricked a drunken Opal into admitting she loves Palmer, and planned to persuade her to have a complete makeover. Will and Skye finally made love. **Wait To See:** Someone from the past has plans for someone in Pine Valley.

ANOTHER WORLD: Jake withheld the information on Paulina when Iris balked at giving him more money. Marley told Jamie she and Jake are moving in together. Jamie told Marley he loves her. Rachel realized Iris' anger was hiding her anguish over Lucas' whereabouts. Felicia returned, and Cass suspected trouble in her life. John took a detour to Benson's house. Sam came face to face with Evan. **Wait To See:** Evan proves to be as wily an over in his dealings with Sam.

AS THE WORLD TURNS: (Note: the show was pre-empted on Sept. 3 and 7.) Paula told Emily about Julia and Linc's past. Holden comforted a devastated Julie after Caleb stormed out, refusing to listen to her. Lily decided to ignore Holden's message before flying to Houston with Linc. Emily feared her friendship with Paul was jeopardizing his future. When Shannon was nowhere to be found, a frantic Duncan feared she'd run off with Gavin. Blythe said no to Tomas's proposal. Lucinda said a caustic goodbye to Susan, who was moving to California. A drunken Holden mistook Julie for Lily. **Wait To See:** Bob and Kim see their lives together take a new turn.

BOLD & THE BEAUTIFUL: Taylor told Felicia that Jake's "non-performance" in bed may be psychologically linked with something in his past. Brooke told Eric she was leaving town for a while, and admitted she may not go back to him when she returns. Clarke began acting like a dictator at Spectra, and ordered Sally to break up Macy and Thorne. Felicia broke down in tears after Jake ordered her to stay out of his life. **Wait To See:** Clarke decides to use Macy to get back at Forrester.

DALLAS — RETURNS TO THE AIR IN MID-OCTOBER.

DAYS OF OUR LIVES: Jennifer confronted Jack about the bad reference that kept her from getting the job in New York. Carly advised Bo to have Shawn-Douglas operated on immediately. Betsy showed Shawn-Douglas how to use sign language. Isabella insisted on supporting both the movie and the gubernatorial campaign, while Lloyd wanted Isabella to drop her away from the Jencon issue or she could get killed. Shaun learned Kimberly gave birth. Jennifer warned Carly of Werner's plan to take "extreme measures" if Katerina isn't found soon. Victor and Roman found the "bugs" in Isabella's office. **Wait To See:** Carly comes up with a plan that could prove fatal if it backfires.

GENERAL HOSPITAL: Madolyn helped Dawn and Decker escape being found by Colton and Ned. Anna and Kate formed an investigative partnership. Kate accepted Robert's marriage proposal. Lucy furious at how much Alan had done for Anita, vowed to have a little Quartermaine of her own. Kim went to live with Mary Ann Shep and Anna found Loretta in the attic and learned that Dr. Drago killed Collasimo out of jealousy. Unaware that Drago intended to kill him, Decker and Dawn called Drago for help. Kate was arrested in Santo Moro for poisoning El Presidente with a poisoned canape. **Wait To See:** Decker refuses to acknowledge the threat from Drago, and the consequences could prove grave.

GENERATIONS: Eric saved Chantal from being assaulted on the pool table by three thugs. Kyle resisted Chrissy's seduction attempt in the cabin. Martin tried to talk Maya into staying on the job. Adam gave Sam an album of photos from their youth. Jessica was upset that Jordan was giving a bracelet to Sam. Reginald vowed Sam will come no more problems. Aurora told Jason and Monique something's not right with the emerald Buddha. Rob accepted a job in Hollywood. **Wait To See:** Christy has her own ideas about Kyle's future.

GUIDING LIGHT: (Note: the show was preempted on Sept. 3 and 7.) Mindy told Roger it was over between them. Alan-Michael was stunned when Alex supported Beth's plan to leave Springfield. A stunned Ross begged Beth to change her mind about renouncing all her insurance benefits by "admitting" that Philip committed suicide. Suspicious of Philip's strange behavior, India called Ross who told her Philip was dead! Plagued by guilt, Billy asked Mindy to appear on Nadine's show. Mindy chose to appear on "The Love Bug" instead. **Wait To See:** Roger sees Mallet as a menace that must be dealt with.

KNOTS LANDING: On button LOVING: Jack refused to answer questions on the stand that could make Stacey look guilty of Rick's murder. Paul rescued Ann who, while escaping from her kidnappers, got stuck in a window. The two later made love. Carly, Ava's sister and Kate's other daughter, arrived in Corinth. Louis proposed to Kate who said yes. Just as Curtis had planned, Becky spotted the letter telling Bo he can stay in the country if he marries a U.S. citizen. Dave took Shana to the airport to pick up Jim and Jenny. An alarm sounded in the control room. The plane had dropped out of sight. **Wait To See:** Norma makes a statement that could seal Stacey's fate.

ONE LIFE TO LIVE: Gabrielle faked a suicide attempt to gain Tony's sympathy to keep him from turning her in as an embezzler. Johnny became increasingly obsessed with Tina who learned she's pregnant. Jake and Megan worked out a plan to which Jake would get closer to Charlotte to get information on the missing Sarah. Bo finally found Sarah and the two rushed into each other's arms. **Wait To See:** Gabrielle begins to fall into a trap of her own making, while Megan starts to have second thoughts about a future with Jake.

SANTA BARBARA: Quinn let Flame out his back with a razor blade to simulate the same sort of scar on Robert's back. The mysterious woman in the blonde wig tapped the call and learned of Ric's whereabouts. Mason had Jake, Dash and other "Blues" arrested. C.C. watched on a closed TV monitor as Gina and Phyllis switched paintings. Sophia discovered Gina and Lionel's plan. Robert pulled bricks out of the fireplace as part of his escape plan. Ric told Cruz about the check he saw in Harland's drawer. Carmen assured Cruz she didn't kill Richard Alkins, and had no idea why Harland had such information about her. **Wait To See:** A trap springs, but was the intended prey caught?

YOUNG & THE RESTLESS: Brad told Victor he had proposed to Ashley and expected her answer on Friday. Victor chose to propose to Ashley himself. Nikki was uneasy about Victor and Ashley being together, telling Jack she's always leery about any woman dating the father of her children. Although Danny's drug test proved negative, Silva told him the police feel they have stronger evidence against him. Nina arranged for Chase and Cathy (Vivian) to meet. Later, Cathy called David to remind him of the upcoming sixth anniversary of Rebecca's murder. **Wait To See:** David tries to turn his cocaine supplier's arrest to his advantage.

Gruber's designated as a Public Fax

Public Fax International of Irvine, CA has this week designated Gruber's Pharmacy of Dillsburg, Pa. 17019 as a local agency in the Public Fax 6,000 member nationwide fax network. With its selection, Gruber's Pharmacy is able to offer more than just basic "fax to fax" service. Local businesses and residents can use the Public Fax network to send fax mail even to people who are without fax machines of their own.

When a sender wants to fax something to someone who is not fax-equipped, the recipient is directed to a nearby Public Fax network location to pick up the urgent material. The purpose of the network is to make fax capability universal. People with fax can send to people without fax and vice versa, thereby saving them the one-day delay that comes with having to use overnight letters.

Another service offered by Public Fax agencies is the provision of a free fax number. Without requirement of guaranteed usage, Gruber's Pharmacy will allow area people to use its local fax number as their own. Users can issue the number to would-be fax senders or event print it on their business cards and stationery. There is a small per-page charge for materials received. Gruber's Pharmacy makes immediate telephone calls to advise local users of fax mail that has arrived and then keeps it confidentially in a personal folder until it is picked up.

Other service features include the capability of sending pictures and photographs and having mail faxed for international delivery via INTELPOST.
